

Dear Pennsylvania EMS Agency Director:

The Pennsylvania EMS Provider Foundation and the Ambulance Association of Pennsylvania are pleased to announce the Eleventh annual ***Pennsylvania Stars of Life Award!***...a special program designed to recognize and reward outstanding Pennsylvania Emergency Medical Service Providers for their service and commitment to the EMS industry.

The ***PA Stars of Life*** program, which is patterned after the American Ambulance Association's annual program, will be celebrated at the *Eleventh Annual PA EMS 911Event: A Tribute to Our Past and Present EMS Heroes.* The EMS providers receiving the PA Stars of Life Award will be honored during the evening for their dedication and contributions in EMS.

Many EMS Agencies face challenges recruiting and retaining valuable EMS providers. The ***Stars of Life*** program, is an outstanding recruitment and retention tool, and can be a valuable component of your organization's efforts to recognize and reward employees.

This is a wonderful opportunity to recognize members of your staff by registering them for this event. Equally important, we hope that you will attend as their host for the event.

Suggested Candidates:

- Employee of the Year
- On-duty or off-duty service, above the call of duty
- Setting significant records
- Significant community contributions outside of EMS
- Significant community recognition or honors related to EMS, public safety, public health, or health care services
- Other significant contribution that displays unusual dedication, service and compassion

The ***PA Stars of Life Award*** gives you the opportunity to recognize your organization's "**Stars**" for the outstanding job they do every day!

We hope that you will make an investment in your ambulance service and sponsor one or more of your employees to attend this historic event.

Sincerely,
